LETTER

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

Enclosed is payment for the issue and publication fee in application no. 10/663,157. The Notice of Allowance and Issue Fees Due was not received by applicants' attorneys until a copy was faxed to this office by Ms. Camille Rodgers, Issue Branch, on October 31, 2005 in response to my request on October 31, 2005. Apparently, the Notice had been mailed earlier, but was returned to the USPTO as undelivered by the Post Office. Ms. Rodgers advised me to pay the issue and publications fees directly to the Publications Branch as soon as possible.

Although the enclosed payment is after the stated due date on the Notice of Allowance, the late payment of the issue fee was unavoidable on the applicant's part. As no Notice of Abandonment has been issued for the above identified application, we request that the Issue Branch accept the fee and issue the patent.

Please contact me if you would like further information.

Respectfully submitted,
